Dated 18th May, 2018

ORDER

1. Whereas, Section 61 of the Representation of the People Act, 1951 provides that with a view to preventing impersonation of electors, so as to make the right of genuine electors to vote under section 62 of that Act more effective, provisions may be made by rules under that Act for use of Electors Photo Identity Card for electors as the means of establishing their identity at the time of polling; and
2. Whereas, Rule 28 of the Registration of Electors Rules, 1960, empowers the Election Commission to direct, with a view to preventing impersonation of electors and facilitating their identification at the time of poll, the issue of Electors Photo Identity Card to electors bearing their photographs at State cost; and
3. Whereas, Rules 49H(3) and 49K (2) (b) of the Conduct of Elections Rules, 1961, stipulate that where the electors of a constituency have been supplied with Electors Photo Identity Card under the said provisions of Rule 28 of the Registration of Electors Rules, 1960, the electors shall produce their Electors Photo Identity Card at the polling station and failure or refusal on their part to produce those Electors Photo Identity Card may result in the denial of permission to vote; and
4. Whereas, a combined and harmonious reading of the aforesaid provisions of the said Act and the Rules, makes it clear that although the right to vote arises by the existence of the name in the electoral roll, it is also dependent upon the use of the Electors Photo Identity Card, where provided by the Election Commission at State cost, as the means of establishing their identity at the time of polling and that both are to be used together; and
5. Whereas, the Election Commission made an Order on the 28th August, 1993, directing the issue of Electors Photo Identity Card (EPIC) to all electors, according to a time bound programme; and
